

Day 17
6/20/13

The magic
Washing Machine

Make a video talking about it

With more time- teach their children how to read

expanding gap between rich an poor

washing clothes is a hard, time consuming
task for women in poverty

If cooking over fire it can lead to health problems
like respiratory from breathing in smoke

Biolite- can help reduce smoke and time waiting
also can charge i-pods and lead to increase in technology
