Video Notes
Activity 2 lesson 1:

Globalization- referring to cultural, political, economic interaction. a long process throughout history.

So why the broad cultural differences?

EQUALITY is the root cause of cultural differences
its not that the culture is inferior, it just adapted differently
So Americans are not more creative or hardworking- they feel intitled and so many things given easily to us
we have to find new things to spark creativity

Why Europe that hastened globalization?

????

Celestial Perspective

Everyone should be equal
Having different cultures doesn't make people better or inferior
